#### **4. Notes and Conditions**

1. All rates are in Australian Dollars (AUD) and exclude GST.
2. Labor rates include base wage, allowances, and on-costs (superannuation, workers' compensation, leave provisions).
3. Overtime rates apply to hours worked beyond 38 hours per week or outside standard hours (7:00 AM - 5:00 PM).
4. Plant dry hire rates exclude operator, fuel, and mobilization. Wet hire includes operator and fuel.
5. Materials supply rates are ex-yard. Delivery charges vary by site location and access conditions.
6. Supply + Install rates include labor, minor consumables, and standard wastage allowances.
7. Remote area loading: Add 15% for regional sites (>100km from CBD). Add 25% for remote sites (>500km from CBD).
8. Rates are reviewed quarterly. Contact the Estimation Department for current rates on projects bidding beyond Q2 FY2026.
9. Bulk discount: Orders exceeding \$500,000 in a single material category may qualify for a 5-8% discount. Contact Procurement.
10. These rates are for preliminary estimation only. Final project rates must be confirmed with suppliers and subcontractors.
